

Mounting Bracket

The P7030MB Argus4 Mounting Bracket allows an Argus4 camera to be used in a fixed location, with a quick release feature.

APPLICATIONS

- Argus4 camera in a fixed location, such as a training centre.
- Locating a camera on aerial platforms.
- Demonstrations and training.

FEATURES

- Rapid, tool-free disconnection

A camera would typically be powered from an outside source and for the video to be viewed remotely used with the P7030EPVA accessory.

The P7030MB is constructed from durable materials with high resistance to heat, water and impact. No end-user maintenance is required other than external cleaning with a soft cloth.

WARRANTY

The P7030MB is supplied with a 12-month warranty as standard
